About India Mind League: Champions of the Mind

TESTING IQ, EQ, AND CORE VALUES

India Mind League is **revolutionizing education** by integrating IQ, EQ, and values testing, encouraging holistic development, and preparing students to thrive in a competitive world. Join us now!

How It Works

Discover the championship process today

STEP 1

Digital Qualifier

Participants engage in an online assessment, measuring IQ, EQ, and values, providing a foundation for their journey in the India Mind League.

STEP 2

School Round

The top qualifiers advance to their respective schools, where they compete in teams, enhancing collaboration and critical thinking among peers in a competitive environment.

STEP 3

Bootcamp at University

Finalists partake in an immersive bootcamp experience, focusing on leadership skills, mentorship, and networking opportunities, preparing them for the national stage in the championship.
